

Fizzing

WARMTH, LOVE, AND LONGING

1

What topics do you suggest for discussion on sexuality, human relationships and love? Write 6 matters that you consider important.

2

Make up a story of a challenging life situation which a person of your age could face in life, work. In addition to describing the problem situation, you can try to solve it, too, but it is not necessary to find a solution.

3

What methods do you think should be used when dealing with matters (related to sexuality, human relationships, and love)? Please circle the methods you prefer (and/or write other methods).

- | | | | |
|--------------|------------------------------|-----------------|-----------|
| Reading | lecturing | watching videos | doing art |
| doing crafts | discussing | writing | music |
| acting | writing answers to questions | | |

In some other way, how: _____
